

RUN LOLO RUN

TIME: 3.5 hours

The Time: August 2012

The Place: London, United Kingdom

The Occasion: 2012 Summer Olympics

Lolo Jones is once again competing in the 110m high hurdles event at the Olympic Games. Your task is to build a game that steers Lolo towards a gold medal finish!

Unlike previous challenges, you are to start from the beginning with your programmed scene. Consequently you will be evaluated based solely on your **creativity** and **originality**. [50 points]
