

## IT Adventures CDC Program Introduction

Module 1

**Module Duration:** 1 Hour

### Module Objectives:

1. Introduce students to the IT-Adventures Program
2. Introduce students to the cyber defense venue
3. Present objectives of the cyber defense venue
4. Present the structure of the cyber defense venue content
5. Present a schedule of modules for the year

### Module Layout

Component	Title	Purpose
1. <a href="#">Slideshow</a> (20 minutes)	IT-Adventures Objectives & Schedule	Introducing the program
3. <a href="#">Activity 1</a> (10 minutes)	Securing your Information	Getting you thinking about cyber security

---

4. [Activity 2](#)  
(30 minutes)

Essential Terminology

Many cyber security questions can be answered by the internet.

---

Note: All activities designed for this module are hands-on. The speed at which the activities can be completed will vary. Each module should take approximately one club or class period to complete.
